

Maine Department of Health and Human Services  
Section 20, 21, and 29 Waiver Programs

	Community Support	Community Membership 1:1	Community Membership 1:2
Who?	People receiving services in the Section 20, 21, or 29 waiver programs can request 0, 1, 2, or all of these services. A waiver provider must have approval from OADS before they can deliver these services (Community Support approval is different from Community Membership approval).		
What?	In this service, one staff can support up to three people. It can be delivered in a provider owned or controlled location, but it must also include access and inclusion in the broader community.	In this service, people can choose whether they want to receive support from one DSP and no other people receiving services, or with another person (one DSP and a total of two people receiving the service). It cannot be delivered in provider owned or controlled locations; it can only be delivered in the broader community.	
Where?	Center & Community Temporarily: Home or Telehealth	Community Only- person meets/leaves provider in the community, OR the provider transports to/from home Can't start or end at a provider's Community Support center	
When?	These services should happen when they are needed and best fit into a person's life. A case manager will help make a weekly schedule. If a person receives 2 or 3 of these services, each must be on different days. For example: Community Support on Monday, Community Membership 1:1 on Thursday, and Community Membership 1:2 on Saturday.		
Limits?	Section 20: Up to 32 hours/week, including Work Support Section 21: Up to \$39,875.32/year, including Work Support Section 29: Up to \$71,227.00/year, including Home Support and Shared Living
